

**Great
Reasons
To
Choose**

1. Academic Excellence: Trinity Catholic School provides a comprehensive educational program where contemporary instructional methods are rooted in traditional Catholic values. We offer a strong core curriculum enhanced by our fine arts, athletics, technology, religion, and other after school programs.

2. The Trinity Catholic Community: We are a family of students, parents, faculty and staff with common values and goals. Parents of students at Trinity are actively involved in their children's education. We actively support traditional school events such as the auction, golf scramble, athletic competitions, fine arts events, and community service programs. Our family cares for all of our children. We cooperate to ensure their safety and success.

3. Our Catholic Identity: Our nurturing and supportive environment reinforces Catholic teachings and values. At Trinity Catholic School, it all begins with a common set of values; the kind you want your children to have and demonstrate in their daily lives. Catholic education is the most important part of the curriculum at Trinity Catholic. It helps children build the necessary base and understanding of their Catholic faith.

4. Leadership: Able to call upon the combined resources of the consolidated Diocesan Catholic school system, our administration excels at maintaining a productive campus for your child. With the support of the parishes in the Lewiston/Auburn area, Trinity Catholic administration facilitates an environment of continuous improvement.

5. Behavioral Expectations: A strong moral compass guides the students, staff, faculty, and administration every day at Trinity Catholic School. We pride ourselves in leading by example and demonstrating to our students the critical difference between right and wrong, as they grow to become society's future leaders.

The Faculty: The low student-to-teacher ratio at Trinity Catholic is a definite advantage when it comes to creating a strong learning environment. It means students have greater access to their teachers for individualized help or guidance. Small classes also allow teachers to have a better sense of who your child is, what his/her specific strengths and weaknesses are and how to maximize their learning potential.

Future Vision: Trinity Catholic School has a clear purpose and vision for the future. This vision includes keeping a keen eye on changing technology and educational requirements at all levels; and ensuring that students graduate with the knowledge, skills and values that they will need.

Traditions: Just as in any home, Trinity Catholic traditions are the threads that bind the school together as a family. They are events such as the holiday fair in the fall, Catholic Schools Week in the winter, the auction in the spring, recognition of student achievement, the dances and our sporting events. These traditions engage and are embraced by new students and their families. These events are a great way for new families to get involved and feel included.

PTO: The Parent Teacher Organization at Trinity Catholic School is the primary fundraising group for the school. But, it is so much more. It is parents who care about stairs that need repair, library books that need to be added or replaced, or more basketballs. These are parents that take a highly active role, working alongside the administration, to improve the day to day operations of Trinity Catholic. They cannot be thanked enough.

The Students: This is the best reason to choose Trinity Catholic School for your child. Our students are growing children with many different God-given talents. Our students are proud of their school and they are the best ambassadors we have.
