June 16, 2009

The completion of a school year is a significant accomplishment for everyone involved. I want to thank those who made the accomplishments of our students possible, from the students themselves to our parents and grandparents; our teachers and our many community supporters, business partners and donors.

Students have poured themselves into a whole host of school assignments and responsibilities, parents have dedicated themselves and their family's resources toward this goal and teachers have facilitated this gargantuan task. Our mission to provide a comprehensive educational program with contemporary instructional methods, rooted in traditional Catholic values occurs only because of our communal efforts.

Although a few faculty/staff assignments yet remain, the largest challenges have been faced and the resulting changes are and may continue to be difficult. Teaching is a way of life and Catholic school teaching is a true ministry. It has taken many miracles to bring Trinity Catholic to this point and we should never forget the selfless love and dedication of each of our current and former teachers.

Summer office hours at each building are from 8:00am-2:00pm through June 26th. Offices will be closed during the month of July but phone messages will be checked. Offices will reopen on August 3rd from 8:00-2:00 and school time office hours will resume August 26th. Some important dates to note are:

- August 20th-back to school Mass & class lists-6:30 in the Basilica of Saints Peter and Paul
- August 26th-first day of school
- September 16th-Open House/Meet the Teacher Night
- September 25th-TCS Golf Scramble at Turner Highlands
- November 17th-Parent/Teacher conferences

Each returning family and our 25 new, incoming families will receive our summer newsletter in a few weeks. It will contain summer reading and supply lists for students, a reminder about next year's new school hours and details about the beginning of school year 2009-2010.

My prayer for you and your family this summer will be for peace, rest and renewal. May Christ's love stay with you and nourish your soul and may you keep weekly Mass attendance as a focal point of your summertime routine.

Sincerely,
Paul Yarnevich
Principal
